Tata Power-DDL celebrated World Environment Day

World Environment Day, observed on 5th June 2024, is a global platform for advocating environmental protection and sustainability. Tata Power-DDL commemorated this day by unveiling the Urja Arpan Pledge for sensitizing and creating awareness among customers for being a Climate Conscious Citizens. Senior dignitaries from Tata Power-DDL joined the unveiling ceremony. Urja Arpan Pledge represents a unified commitment to combat climate change through sustainable practices and responsible energy consumption.

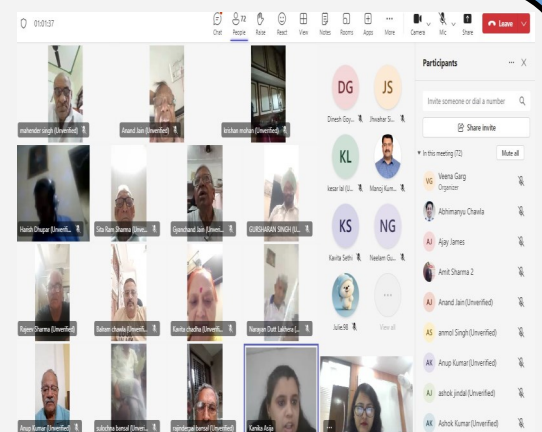

The pledge drive took place across all Tata Power-DDL offices and with residents through RWA members. Senior Leadership encouraged employees and customers to embrace green and clean energy to reduce carbon footprints, fostering a sustainable and resilient future where both people and the planet flourish.

Mega SAMMAN Event

Empowering communities and working towards Customer convenience has always been the focal point of Tata Power-DDL's work culture. Over the years, multiple initiatives have been undertaken across segments towards customer engagement.
