Tata Power-DDL organised WePower Meet

Tata Power – DDL organized second round of **“WePower – A Workshop to share, learn & grow better together”** on 20th Sep 2023 at Tata Power-DDL under the theme of Sustainable Development. The event witnessed a huge success with participation of more than 90 women customers across fields of medical science, education, law, hospitality, entrepreneurship etc. with full enthusiasm. Highlights of the event—Laughter Yoga, Session on Work Life Balance, Digital Initiatives undertaken, Urja Arpan etc. The women customers wholeheartedly participated in sharing their thoughts and ideas on Women empowerment. They appreciated Tata Power-DDL for its services and this specially designed initiative taken to honor them.

Revamping of Street Light Complaint Registration Process

Based on the customer feedback, Tata Power DDL has revamped the process of Street Light Complaint registration process on website. The same has become more user friendly for the customers. Now, customers can register a complaint without pole number also.

Direct routing to My Tata Power App along with the step by step guide has been made available on the website.

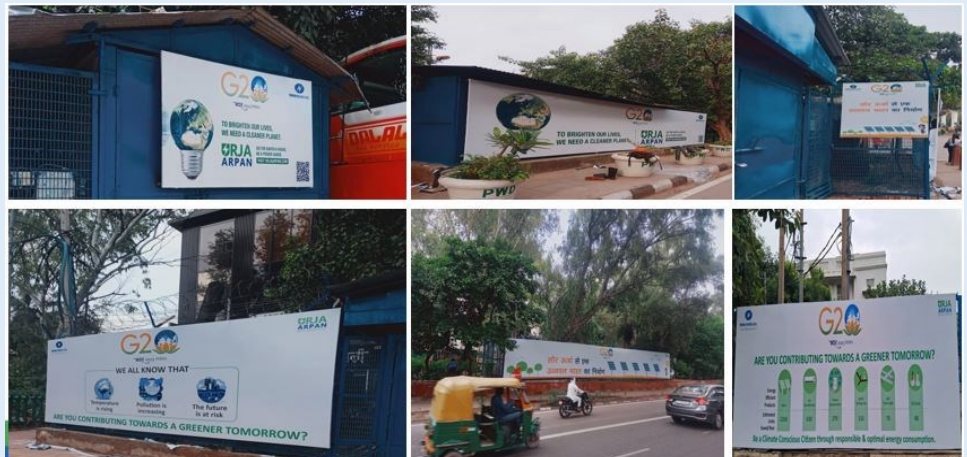

Call back option and status check tab has also been deployed on TPDDL Website for providing convenience to the customers.

Celebrating G20 Presidency at TATA Power– DDL

We are thrilled to share a moment of immense pride and global significance as India took the center stage by holding the prestigious G20 Presidency. **"Vasudhaivakutumbakam"** or **"One Earth. One Family. One Future"** was the powerful theme of India's G20 Presidency, symbolizing our shared responsibility to safeguard our planet and create a better future for all.

With the same theme, TATA Power-DDL has communicated its commitment to a sustainable future through a creative and meaningful endeavor.

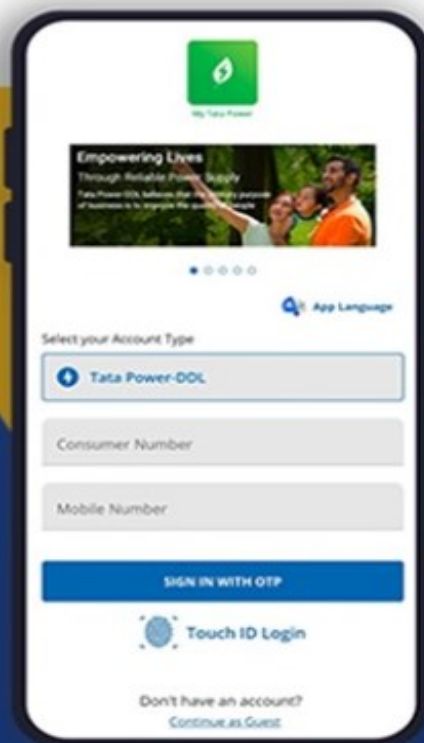

We have adorned our hoardings with G20 branding, which seamlessly integrates the essence of sustainability into our core initiative, **"Urja Arpan"**. This initiative aimed at promoting responsible and efficient electricity consumption through the use of energy-efficient products and services. As a visual representation of our dedication, installed hoardings have been installed at 16 substation buildings that convey the message of adopting Urja Arpan theme and contributing
