

TRAINING CALENDAR: FY 2019-20

Qtr.	Sl. No.	Month	Topics	Duration	Program Date
Q-I	1	Apr '19	Intelligent Transformer Maintenance	3 Days	These trainings have already been conducted.
	2	May '19	Electrical Inspectorate	3 Days	
	3	June '19	Revenue Maintenance and AT&C Loss Reduction Techniques	3 Days	
Q-II	4	July '19	Material Management & Quality Assurance	3 Days	However, these topics can be conducted again as a customized program, subject to a minimum batch size of 20 participants
	5		Business Analytics in Power Distribution	2 Days	
	6	Aug '19	Emerging Technologies in Power Distribution Sector	3 Days	
	7		Digitalization of HR Practices in Power Distribution Sector	2 Days	
	8	Sep '19	Smart Metering	3 Days	
	9		Electrical Safety, Behavioural Based Safety & Business Continuity	2 Days	
Q-III	10	Oct '19	SCADA & IT Application	3 Days	14 - 16 Oct '19
	11	Nov '19	Smart Grid Technologies	3 Days	18 - 20 Nov '19
	12		Project Management	3 Days	25 - 27 Nov '19
	13	Dec '19	Intelligent Transformer Maintenance	3 Days	9 - 11 Dec '19
	14		Demand Side Management & Energy Efficiency	3 Days	16 - 18 Dec '19
Q-IV	15	Jan '20	Best Practices in Distribution, Operations & Maintenance System	3 Days	6 - 8 Jan '20
	16		Behavioural / Soft Skill Training for Managing Change in Power Distribution	2 Days	20 - 21 Jan '20
	17	Feb '20	Power System & Network Management	3 Days	24 - 26 Feb '20
	18		Best Practices on Meter Installations, Recovery Management & Customer Services	3 Days	10 - 12 Feb '20
	19	Mar '20	Protection, Control & Testing of Sub-Station Equipment	3 Days	16 - 18 Mar '20
	20		Renewable Energy, Policies & Regulations & Electrical Vehicle Charging	3 Days	23 - 25 Mar '20

INTERNATIONAL STUDY TOUR PROGRAM: FY 2019-20

Sl. No.	Training Days	Topics for Study Tour	Countries to be visited	Tentative Program Date
1	6 Days	International Capacity Building Program on Power System Operations & Maintenance of Distribution Network	South East Asia (Singapore, Malaysia & Bangkok)	November 2019 & January / February 2020
2	5 Days	Smart Grid, Advanced Smart Metering, Renewable Energy, Grid Integration & Site Visits	Thailand	January / February 2020
3	1 + 7 Days (1 day in Delhi, 7 days International)	E-Vehicle Charging & Technology	Norway & Finland	October / November 2019
4	2 + 9 Days (2 days in Delhi, 9 days International)	Smart Metering, E-Charging, Renewable Energy Resources & Battery Energy Storage System	Italy & Spain or Germany & Spain	March 2020

* International study tour programs would be conducted subject to formation of minimum batch size of 20 participants.
