#### R S Popli-

My father had started the practice of celebrating my birthday with visually impaired girls in Guru Virjanand Anndh Kanya Mahavidyala situated in Rajinder Nagar, Delhi. We used to organise Occasional lunch for them and I have been continuing the same practice after the demise of my parents on their birth & death anniversaries. The tradition is a highly gratifying experience for me and my family. I believe everyone should contribute something towards the society and spread smiles in the lives of people around.

**Social Innovation Group applauds the efforts of such motivated employees & encourages others to come up with innovative volunteering activities.**

## Volunteer Experience

-Ravindra Kr. Gupta (CSR Champion, BD)

"It was a wonderful experience to work as a CSR champion with the Social Innovation Group. As a contribution to the society I along with BD-Implementation team conducted different activities like Tree plantation, Blood Donations, Safety Awareness programs, Career Counselling sessions etc. During Tata Volunteering Week, we conducted walkathon cum cleanliness drive for awareness on single-use plastic near our corporate office area and at our BD locations in Lucknow, Jharkhand, Jammu, Rajasthan etc., the Discom officials, local authorities participated and highly appreciated the activity carried out by Tata Power-DDL team. BD-Implementation team consistently thrives to volunteer for social initiatives & feels motivated, encouraged after serving our bit to society."
