

SEPTEMBER 2020

Inauguration of RO Plant & Plantation Drive at Government Schools

Tata Power-DDL has installed and inaugurated one commercial RO Plant with purifying capacity of 500 Litres Water per Hour (LPH) in Government Boys Sr. Secondary School (GBSSS), Alipur on 23rd September 2020.

The RO Plant dedicated by Tata Power-DDL was jointly inaugurated by Shri Subrata Das, Head (Operations & Safety) and Mr. Sharad Chauhan, Hon'ble MLA Narela in the gracious presence of Dr. Mohamad Jawed Qamar, DDE (NW-A), Dr. (Ms.) Renu, DDE (Zone-X), Officials of Tata Power-DDL, Principal, Teaching Staff & School Management Committee (SMC) members. The inaugural function of RO Plant was followed by a Plantation drive in the School by Tata Power-DDL's SIG Team. The event was led by Shri Surender Singh, Head (SU-Circle), Shri Akhil Kumar Chauhan, Head (Metro Circle), Shri Manish Goel, DM (Narela), Mr. Pankaj Kumar Singh, HoD (SIG), Mr. Mayur Paul, ZM (Z-511) & Team and SIG-Sanjevani Team. The RO Plant will benefit 7000 students and teaching staff of the School every day.

First Virtual Club Energy Session for SBV, Nathupura, Burari

Learning is a never ending process. And, the Club Enerji program is one such case in point. The Club Enerji sessions in schools for FY 20-21 were initiated with a first-ever virtual and interactive session, conducted by SIG with the students of SBV, Burari on 1st September 2020. The session aimed at sensitizing students on Energy & Environment Conservation, Safety, Climate Change and Health & Hygiene. Around 80 students and some teachers of the school participated in the session.

Dry Ration & Hygiene Kits distribution in communities

In the past few months since the outbreak of COVID-19, we faced & overcame many challenges. However, scarcity of ration still remains a major problem for the people residing in the urban JJ clusters. Therefore, to support the communities, Tata Power-DDL has started dry ration and hygiene kits (15 days kit) distribution within its operational area with a focus on families that are under quarantine or have been tested positive for COVID-19. Till September, more than 1900 families were supported with the dry ration and hygiene kits.

WE POWER Session for Girls

A **We power** Session was organised with 50 Girls of VTC Narela & referred through our ABHAs on 5th September 2020. The objective of the session was to motivate girls to pursue careers in the technical field. The session expert from ITI Narela and HoG(SIG) - Unnati & Club Enerji explained about the courses they offer in their ITI, benefits of those courses, placement opportunities and the admission process.

Reaching Out to the Community

The **Tata Volunteering Week - 14th Edition (TVW 14)** was celebrated from 5th September 2020 to 7th October 2020. This time given the outbreak of the pandemic, the TVW 14 was restructured to give the employee a unique, completely digital/virtual volunteering experience thus enabling employees to volunteer from the comfort of their homes.

The theme of this edition was **'Work from Heart'** and volunteers actively took up different activities. In addition, the Senior Leadership Team (SLT) members and employees from Tata Power-DDL's different business development (BD) locations enthusiastically participated and engaged in various activities for the welfare of the communities. Some of these activities included plantation, donation of essential supplies to an old age home/ashram, sensitizing the communities on COVID-19, specific-theme based sessions for beneficiaries, staff and NGO partners of our Vocational Training Centers (VTCs) & Women Literacy Centers (WLCs), ABHAs, students and teachers of government schools, Industrial Training Institutes (ITIs) and other associated institutes etc. Employees did the **'Heartwork'** and took up various causes to support the communities we serve.

Some glimpses of TVW 14

Sustainable Development Goals

4 QUALITY EDUCATION

3 GOOD HEALTH AND WELL-BEING

6 CLEAN WATER AND SANITATION

Quiz Time!

1. The RO Plant installed by Tata Power-DDL will benefit how many students and teachers?
2. Virtual session was organized for students of which school?
3. Which 2 SDGs are related to inauguration of RO plant?
 - a. SDG 4&6
 - b. SDG 3&6
 - c. SDG 3&4

Kindly send your responses & queries at monika.tayal@tatapower-ddl.com latest by 20/10/2020.

Winners of Quiz Time for the month of AUGUST

VEENA GUPTA
(CRE-District Office PPR Group)

AMIT ARYA
(Projects)

HARISH KUMAR GUPTA
(Network Engineering)

Congratulations to all the winners!! You all will be felicitated with E-Certificates!

As a best practice, if you are conducting any self-volunteering activity, then kindly mail your experience at monika.tayal@tatapower-ddl.com, to get it published in the next edition of the SIG Newsletter.
