We heartily congratulate the stars of the contest. We will be getting in touch with you to brief you about further details.

TATA Power-DDL also thanks all the participants for taking the first step towards sustainability and salute their creativity for making the campaign a huge success with 1000+ entries from across the country.

The campaign was able to spread the message of Energy Conservation through young turks of the nation and we now hope these energy champions will inspire everyone to do the same.
